Sensia Healthcare is a leading provider of Preventive and Occupational Medicine services to employers in southeastern Wisconsin. Sensia is a proponent of integrating Worksite Wellness and Health Promotion services with employers' efforts to proactively manage their worker's compensation related medical costs.

Sensia's focus is on helping employers create a wellness oriented culture, educating employees about the role of lifestyle in their health risk profile, and helping individuals recognize the need to accept responsibility for their own health status.

Sensia Healthcare's Compass Wellness Programs include:

- Healics Health Risk Assessments
- Onsite Health Coaching & Wellness Consultants
- Tobacco Cessation
- Personal Wellness Plans
- Weight Management & Personal Nutrition
- Diabetes Awareness
- Men's & Women's Health Programs

Sensia's Preventive Medicine staff consists of Physicians, Physician Assistants, Nurses, Registered Dietician, and ancillary support staff. Sensia is also a joint venture with Wheaton Franciscan Healthcare.

Sensia Healthcare is a 2009 Platinum Sponsor of the Wisconsin Wellness Council, and is a charter member of Milwaukee's "Well City" initiative.
