

Hello, Name-

In WCWI's member survey and regional focus groups held earlier this year senior leaders, like you, requested to receive direct connection to organizational health and employee wellbeing news specific to Wisconsin. Below is your first edition- enjoy!

ON ORGANIZATIONAL HEALTH & EMPLOYEE WELLBEING

BEST PRACTICE:

Article by Marissa Kalkman, Executive Director of WCWI: "[Fostering Wellbeing through the Workplace Environment, Policies, and Practices](#)". In this article, we emphasize thinking beyond the program to create positive organizational health. Additionally, Marissa provides 10+ resources to help leaders enhance their environment, policies, and practices to foster employee wellbeing.

SHARED RESOURCE FROM A WISCONSIN BASED ORGANIZATION:

[Paid Family Leave and Bereavement Leave Policies](#): WCWI is showcasing BSG | BSGA | HJI's paid family leave and bereavement leave policies. Their policies are inclusive of many caregiving situations and provide additional support that employees may need during a time of loss.

NEWS:

[Actionable Strategies Report on Mental Health](#): A new report (March 2019) commissioned by the AHA CEO Roundtable and conducted by the Center for Workplace Health Research and Evaluation provides actionable strategies for advancing workplace mental health from companies and an expert panel.

NETWORKING:

Join us for a complimentary event the evening before [WCWI's 29th Annual Employee Wellbeing Conference](#). This networking experience is exclusive to all employees of WCWI member organizations filled with music, appetizers, cash bar, and WCWI's community of connected employers. September 11 | 5:30 – 7:00 PM | Kalahari Resort. [Save your spot](#).

TRAINING:

Is your wellness team certified? By receiving a [WELCOA Faculty Designation](#), your team will receive national recognition for their professional development, earn CEUs, and be equipped with industry best practices. Make sure your team ranks above the rest! [View Wisconsin's WELCOA Faculty Members](#).

Where to start:

[WCWI's Flagship Training, Well Workplace University](#) | [WELCOA's Online Institute](#)

Our goal is to distribute short bursts of relevant information to you and your executive leadership. I encourage you to send any feedback my way. Thank you,

Lisa Grenfell, WELCOA Faculty
